

Updates to Debateable.org

[9 Videos added!](#) Debaters may wish to look at the 2 matches on negotiating with terrorists and the 2 matches on civil liberties vs Security to compare how different teams approach the same topic. The WSDC 2002 Semi-Final between Scotland and Australia is also provides a very clear example of an illegal definition in the World Schools Style. Debaters should also observe the WSDC 1997 SF match to see how slow a third (Roger Wong of Australia) can speak.
